

HOW IT WORKS

AGES
4-6

GRADES
PreK-1

We express the *FIRST* philosophies of *Gracious Professionalism*® and *Coopertition*® through *FIRST* Core Values:

- **Discovery:** We explore new skills and ideas.
- **Innovation:** We use creativity and persistence to solve problems.
- **Impact:** We apply what we learn to improve our world.
- **Inclusion:** We respect each other and embrace our differences.
- **Teamwork:** We are stronger when we work together.
- **Fun:** We enjoy and celebrate what we do!

FIRST® LEGO® League Discover is a playful introductory STEM program for children ages 4-6 that ignites their natural curiosity and builds their habits of learning with hands-on activities in the classroom and parent engagement activities to extend learning at home using LEGO® DUPLO® bricks.

CHILDREN:

- Are introduced to the fundamentals of STEM while working together to solve fun challenges and build models using LEGO bricks

WHAT IT OFFERS:

- New real-world theme each year
- Understanding the basics of STEM; Building habits of learning
- Culture of sharing, learning, and fun
- Engagement of kids in meaningful, hands-on experimentation
- Alignment with national educational standards
- In-school events

HOW IT WORKS:

- Class Pack offering designed for 8 children, ages 4-6
- Classroom or structured after-school program
- Adult coaches and mentors needed to guide the team
- 10 sessions
- LEGO® Education STEAM Park (reusable) and annual Discover Set

“We want to change the culture by celebrating the mind.”

— DEAN KAMEN,
FOUNDER, *FIRST*
